KEEPERS OF THE FLAME

Warrior Football NATION

Volume 1, Issue 1

May, 2011

Dear Warrior Football friends and family:

The purpose of this newsletter is to keep you informed about the state and progress of the Warrior Football Family.

My intention is to send out four newsletters a year in an effort to connect alumni, parents, friends and family as to the goings on of the program.

Look for the Warrior Newsletters in the spring, late summer, Thanksgiving week and winter.

If you know of any information that might be relevant to the program, don't hesitate to email Coach Ormberg at eormberg@medfield.mec.edu.

A lot has been happening in the world of Warrior Football. Current juniors showcased their skill set at Gillette sta-

dium on May 1st at the MHSFCA combine.

Our hope is that some of our current juniors put themselves on the college recruiting map and supplement their academic portfolios with a chance to compete at the collegiate level.

A majority of our players are competing in spring sports at

the moment and we wish them all success.

Please stay in touch with us here at Warrior Nation. We hope to hear from our alumni and keep the flame of Warrior Football burning brightly.

Sincerely,

Coach Ormberg

New Additions & Thank You

Warrior Nation greets Coach Jack Diatelevi who has coached at Framingham High School and brings decades of experience to our ninth grade program.

The team has also purchased HUDL.COM, an editing sys-

tem that will help revolutionize gameplanning, editing, charting tendencies and recruiting. Please see the enclosed link for access to our 2010 highlight film.

SPECIAL THANKS go out to Brad at the KINGSBURY CLUB

for allowing our players use of the weightroom last month. In April a pipe burst and the weightroom was flooded. We want to thank Brad and everyone at the KClub for helping the cause!

HUDL.COM

The recent purchase of Hudl.com has allowed the program to upload all of the 2010 varsity football games.

Players have begun making their own highlight pages.

Hudl allows each play to become a separate video file that is easily transferable.

Hudl allows us to chart tendencies, message the team, exchange video with an upcoming opponent and use our time more efficiently.

Currently, the women's basketball team and volleyball teams at MHS also use HUDL.

The football program has begun scouting next year's opponents already with this technology.

GOLF TOURNAMENT SET FOR JUNE 10th

Fundraising is an important part of sustaining the success of the program.

On June 10th, the MHS Athletic Department is sponsoring a golf tournament. The cost is \$200 per golfer. Half of your greens fees go directly to the athletic program OF YOUR CHOICE.

Please contact Mr. Kirby for more information at 508-359-4809.

Feel free to sponsor a hole if you are not a golfer. Proceeds from hole sponsorship benefit the football team directly.

"There is no better feeling than taking a guy from point "A" to point "B" against his will."

....One Last Thought....

Our first home game this year will be FAMILY NIGHT. In an effort to commemorate the ten year anniversary of 9/11 we are asking ALL spectators to wear RED, WHITE or BLUE to our first home game on September 9th, 2011. This game will be the first ever FAMILY NIGHT at Calvin George Fisher Memorial Field. Be on the look out for raffles and other giveaways on the evening of the ninth.

Our home opener against Oliver Ames will also be the final game in the press box for the "VOICE OF WARRIOR FOOTBALL," Richard DeSorgher. Richard is retiring from teaching and will no longer be anchoring the P.A. at home games. The impact he has had on the town of Medfield and the Warrior Football program is beyond measure. Please pass along this information so we can extend to him a true Warrior send-off.
